- Qualified Professional Investors
- Offshore Life Companies buying as principal
- Corporate and Institutional clients buying as principal
- Minimum Initial Investment per counterparty is GBP 50,000

Key Dates

Initial Strike Date	20 February 2015	Issue Date	27 February 2015
Final Valuation Date	19 February 2021	Maturity Date	26 February 2021

Risks

- Please bear in mind that investors are exposed to the credit risk of the Issuer. The Notes are not capital protected and investors may receive back less than the original amount invested. The value of the investment can go down as well as up and investors can potentially lose all of their investment. Any secondary market provided by Nomura International plc is subject to change and may be stopped without notice and investors may therefore be unable to sell or redeem the Notes until their maturity. If the Notes are redeemed early they may be redeemed at a level less than the amount originally invested.
