ANNEX

'Owner-documented FIs'

Please note that the concept of "Owner-documented FIs" is only applicable to FATCA and not the CRS.

This section must be completed by Entities that declare in Section C.1.b) to be an FI and intend to be an "Owner-Documented FI".

UK legislation based on international information exchange agreements provides that an Entity which qualifies as an 'Owner-documented FI' will not have to register with the IRS nor obtain a GIIN.

Section A: Qualification for Owner-Documented FI Status

In order to qualify as an 'Owner-documented FI', the Entity must meet ALL of the conditions in Section A. To confirm that the Entity meets the requirements to qualify as an "Owner-documented FI" please answer the following three questions and indicate "T" (True) or "F" (False) in the column on the right:

	T / F
1. The Entity does not maintain a financial account for any Non-Participating Financial Institution i.e a Non-Participating FI does not hold an equity interest or debt interest in the Entity.	
2. The Entity is not owned by, nor a member of, a group of Related Entities with any FI that is a depository, custodial or specified insurance company as defined in UK legislation.	
3. The Entity provides James Brearley & Sons information regarding all persons – both natural and legal persons – that hold direct or indirect equity or debt interest in the Entity.	

Information regarding equity and debt holders of the Entity is required in order to enable James Brearley & Sons to determine whether it is obliged to submit certain information regarding the Entity account to UK tax authorities. The information required to be provided applies to:

- All persons that hold a direct or indirect equity interest in the Entity (including direct or indirect equity interests in an equity holder of the Entity); and
- All persons that hold a direct or indirect debt interest in the Entity (including direct or indirect equity interests in a debt holder of the Entity)

Only where ALL responses to the questions in Section A are "T" will the Entity qualify for Owner-Documented FI status and you may proceed to Section B of this Annex. Otherwise refer to your Account Executive.

Section B: Entity Owner Information

Please provide information regarding the Entity Interest Holders as required by Section A.3 of this Annex. Include all persons – both natural and legal persons – that hold direct or indirect equity or debt interest in the Entity as defined above. Indicate all countries of tax residence of each person and where such person is a US citizen, US Green Card holder, or US resident or US entity, you must include United States in this table along with his/her US Tax Identification Number. We will then check whether we already have appropriate documentation for these persons on file, or whether we are obliged to request further documentation from you.

Note that additional information may be required and this may include appropriate documentation already obtained for UK regulatory purposes. Nevertheless James Brearley & Sons may be obliged to request further documentation from you. Please complete the following with information on all direct equity/debt holders of the Entity. Please also provide information for all indirect equity/debt holders if applicable.

Section C: Declaration Section Annex: Owner Documented FIs Only

- 1) I confirm that as per UK guidance I am authorised to sign this form and that the information provided is, to the best of my knowledge and belief, accurate and complete.
- 2) I undertake to advise promptly of any Change in Circumstances which causes the information contained herein to become incorrect or incomplete and to provide an updated declaration within 30 days of such a change in circumstances.
- 3) I am aware that in certain circumstance James Brearley & Sons will be obliged to share information with UK tax authorities, who may pass it on to the tax authorities of other countries.
